

MORESCO-1 *Philippine's first Electric Cooperative* SINCE 1968

MISAMIS ORIENTAL –1 RURAL ELECTRIC SERVICE COOPERATIVE, INC.

PRESS RELEASE

February 2015

MORESCO-1 AIMS TO CONTINUE BEING “AAA” TOP PERFORMING EC

With its aim to continue being rated as a top performing Electric Cooperative (EC), MORESCO-1 recently conducted its annual Action Planning to ensure sustainability of its operations in serving its member consumers, with the need to address the current power supply in Mindanao, MORESCO-1 gives its best effort to alleviate this problem by coming up with the best alternatives so as not to compromise its distribution capacity.

With the fast growing economy in our franchise areas, MORESCO-1 is also aligned in coming up with strategies for the challenges of the year, as well opportunities to get ahead in the market and sustain our AAA top performing standing as recognized by the National Electrification Administration.

MORESCO-1 line construction crew hauling the poles requested by Cagayan de Oro City, under the Ysalina Bridge

MORESCO-1 made true its commitment to support the local government unit of Cagayan de Oro last January 30, 2015, when it delivered 15 units of used wooden poles, as requested by the City Tourism and Cultural office. With the ongoing planning to put up a replica of “Birhen sa Kota” at Duaw Kagay-an park within the premise of Cagayan de Oro City hall, these poles shall be used as to create a wooden fortress for the highlighted image.
