### SEP turnover in Tignapoloan

The ceremonial switching during MORESCO-1's Sitio Electrification Program (SEP) turnover to 6 sitios (Bankers, Donggo-an, Magayad, Sile, Litig and Paradise) in

Barangay Tignapoloan, Cagayan de Oro, bustled with spectators as 173 households became the beneficiaries of the SEP.

This project was initiated by the Office of President since 2011 in coordination with the National Electrification Administration, coursed through the Electric Cooperatives like MORESCO-1.

*Photos: (Above) Official representatives of the Province, City and Barangay listened as M1's Talakag Service Area Manager, Engr. Marlon Guinita speaks to the new member-consumers; (below) residents listen to the speakers during the turnover ceremony last March 13, 2015.*

### MORESCO-1 joins the turnover of development projects of the El Salvador LGU

Headed by the District Representative, Dir. Nestor Abejuela, MORESCO-1 team joined the activity of El Salvador LGU last March 13, 2015, it being a part the local government's projects for the year 2013-2014. The Sitio Electrification

Program turnover in Sitio Kalambaguhan, San Francisco de Asis, was one project which benefitted 27 households amounting to P1.3 Million.

## M1 IEC to the Assoc. of Senior Citizens of Canitoan, Calaanan, CDO

MORESCO-1 representatives Engr. Collen Tarcelo with the rest of the team conducted an information drive to the members of Senior Citizens (SC) Association of Canitoan, Calaanan, Cagayan de Oro last March 15, 2015 at one of the SC member's residence. This is to respond to the inquiry of the group on the power crisis situation and to inform on the SC discounts applicability for electricity.
